

Info Hiking Groups 2024

Dear friends of MALLORCA WALKS, 😊

After the unfortunate Covid-19 pandemic, I have realised that most customers prefer private tours and do not want to hike in open groups.

So, these are the prices for 2024:

- private tours for 1-3 people from 220€ (VAT not included)
- for a group of 4 people or more, the price per person is from 55€ (VAT not included)

Price includes: transfer from the meeting point, an official local and English-speaking guide, picnic with Majorcan products and accident insurance. ☀️

Note on open groups:

When I receive requests for an open group, I try to find the best possible solution for all participants. This is not always easy ! 😅

I have to make sure that :

- it is a new hiking trail for all participants
- the level of difficulty of the hike is OK for everyone
- the meeting point is feasible for everyone or the pick-up by me does not take too much time
- everyone speaks the same language
- all participants have time on the same day
- I also need to receive enough enquiries for this day, as the minimum number of participants is 4.

In future, these will be published on the website under the heading "Spaces Left". Please check here before making a booking enquiry for an open group hike, thank you.

Kind regards from Soller valley, 🏔️

Josep Suau
