

# I CHOOSE A QUALIFIED MOUNTAIN GUIDE

## BECAUSE

1. They have a rigorous and demanding technical training
2. They comply with regional and national regulations
3. They have extensive experience in managing risks in mountain activities
4. They pass entrance tests and examinations that guarantee their technical level and professional capacity
5. They have Civil Liability and Accident insurance
6. They are kept up to date thanks to the continuous training courses of the Spanish Association of Mountain Guides
